# Demondrae Thurman

Known worldwide for his signature sound and overt musicality, Demondrae has brought his remarkable skills to light as a soloist, educator, chamber musician, and conductor. As a frequently invited guest at many of the world's most noted festivals and conferences for Low Brass, his voice-like timbre reaches everyone in his audience. In addition to performing with many of the finest orchestras in the United States, Chamber Music is an integral component of Demondrae's career. Has performed on euphonium and/or trombone with the Brass Band of Battle Creek, New York Philharmonic, Philadelphia Orchestra, and the Youngblood Brass Band- but his most celebrated collaboration is as first euphonium with the Sotto Voce Quartet. Demondrae has released four solo recordings, all of which have received stellar reviews.
